EMERGENCY MEDICINE

VOLUME 1

INDEX

1969

INDEX 1969

lightning

Abdominal Injuries
Caused by seat belts, April, p. 32
Overlooked, December, p. 18

Abdominal Paracentesis
Contraindicated in pregnancy, May, pp. 21-22

Abruptio Placentae
Due to vena caval obstruction, May, p. 23

Abuse
See Alcohol; Battered Child; Drugs

Accidents
See Automobile Accidents; Medicolegal Problems; Motor Scooter Injuries; Pregnancy; Transportation

Acetazolamide *(Diamox)*
For treatment of glaucoma, May, p. 32

Acidosis, correction of
In asthma, November, p. 15
In neonatal asphyxia, September, pp. 25, 29

ACTH
For treatment of gout, November, p. 51
For treatment of snakebite, July, p. 11
Vs. corticosteroids in asthma, November, p. 13

Acute Mesenteric Adenitis
Similar to appendicitis, April, p. 22

Acute Otitis Media
See Myringotomy

Adverse Reactions
See Drugs

Air Transport
Of asphyxiated newborns, July, pp. 19-20

Airway
Maintenance of, February, p. 21
Before tracheostomy, October, p. 16
In combat injury, May, p. 28
In facial injury, April, p. 28
In head injury, February, p. 16

ALA Test
For lead poisoning, November, p. 36

Albumin
See Fluid Replacement

Alcohol
Abuse of, December, p. 32
As cause of misdiagnosis, September, p. 64; October, p. 55
Management of acute withdrawal, May, pp. 38-41

Alcoholic Hallucinosis
Diagnosis of, May, p. 40

Alkalizing Agents
See Sodium Bicarbonate; Tromethamine

Allergies
See Anaphylactic Shock; Medic Alert; Mexican Bedbugs; Penicillin; Status Asthmaticus

Allopurinol *(Zyloprim)*
For treatment of gout, November, p. 51

AMA
Fracture exhibit, August, pp. 9-11

Amebiasis
Drugs for, supplied by Communicable Disease Center, June, p. 34
See also Tropical Diseases

American Heart Association
Principles of resuscitation, July, pp. 43-45

Aminophylline
For treatment of asthma, November, pp. 12-13
Toxicity of, November, pp. 11, 13

Amphetamines
Abuse of, December, pp. 32, 39
Psychotomimetic, December, pp. 33, 41

Anaphylactic Shock
Caused by Mexican bedbug, June, p. 11
Prevention of, June, pp. 10, 45
Signs and symptoms of, June, p. 9
Treatment of, June, pp. 8-10

Aneurysm
See Dissecting Aortic Aneurysm

Angina Pectoris
As sign of impending myocardial infarction, July, p. 32
Characteristics of, October, pp. 20-21
Differentiated from cardiac causalgia, February, pp. 42-43
See also Chest Pain

Angiography
In diagnosis of splenic rupture, December, pp. 22-23

Ankle Injuries
In football, September, pp. 46-47

Ansolysen
See Pentolinium

Antibiotics
See Infection

Anticonvulsants
For treatment of arrhythmias, April, p. 33

Antidotes
See Chelating Agents

Antihistamines
Contraindicated in severe asthma, November, p. 15
For treatment of acute laryngotracheobronchitis, February, p. 23

Antirabies Prophylaxis
Technique, August, p. 12

Antivenin
For treatment of snakebite, July, p. 10
Use disputed (letter), September, p. 7

Anturane
See Sulfinpyrazone

Anxiety
Chest pain due to, October, p. 21

Aortic Aneurysm
See Dissecting Aortic Aneurysm

Appendectomy
If diagnosis is in doubt, April, p. 22

Appendicitis
Cholecystitis mistaken for, July, p. 38
Diagnosis of, April, p. 22

Appendix
Duplication of, August, p. 48

Apresoline
See Hydralazine

Aralen
See Chloroquine Phosphate

Aramine
See Metaraminol

Arfonad
See Trimethaphan

Army
See Trauma; Tropical Diseases

Arp Infant Respirator
For treatment of neonatal asphyxia, July, pp. 18-21

Arrhythmias
In heart failure, March, p. 15
In myocardial infarction, July, pp. 32-33
Treatment of, with anticonvulsant, April, p. 33

Arterial Disease
See Atherosclerosis; Coronary Disease; Motor Scooter; Myocardial Infarction

Ascariasis
See Tropical Diseases

Asphyxia
Associated with maternal estriol levels, July, p. 23
In tetanus, September, p. 12
Intrauterine, treatment of, September, pp. 24-29
Hypothermia in, September, p. 29
Respirator for, July, pp. 18-21
See also Hyaline Membrane Disease

Assisted Ventilation
See Positive Pressure Breathing

Asthma
See Status Asthmaticus

Atherosclerosis
Exercise in, November, pp. 43-47

Atrial Gallop
Absence rules out myocardial infarction, October, p. 24

Atropine
As phosphate ester antagonist, May, p. 37
In treatment of early myocardial infarction, July, p. 33
To minimize vasovagal action during bowel movements (letter), November, p. 6

Automobile Accidents
Extrication of victims, October, pp. 34-43
Injuries in, February, p. 18
See also Medicolegal Problems; Pregnancy; Transportation

Autotransfusion
See Transfusion

BAL
See Dimercaprol

Barbiturates
Abuse of, December, pp. 29, 32, 41
In treatment of drug abuse, December, p. 41
Treatment of massive poisoning with, July, p. 36

Battered Child
Recognizing the syndrome, February, pp. 26-29

Beaning
See Head Injuries

Bedbugs
See Mexican Bedbugs

Belladonna
See Scopolamine

Benemid
See Probenecid

Bicarbonate
See Sodium Bicarbonate

Bites
Dog, treatment for infection, August, p. 14
Insect
Kit for treatment of, June, p. 10; July, p. 41
Treatment of severe reaction to, June, pp. 8-10
Snake
Excision vs. antivenin (letter), September, p. 7
Treatment of, July, pp. 8-11
Wild animal, treatment for rabies, August, pp. 12-14

Bithionol *(Lorothidol)*
For treatment of paragonimiasis, June, p. 39

Bleach
See Poisoning

Bleeding
Ohmmeter to detect, December, p. 14
See also Hemorrhage; Hemophilia; IUD, complications; Nosebleed

Blood
See Fluid Replacement; Transfusion

Blood Pressure
See Hypertension; Hypotension

Book Reviews
Handbook of Pediatric Medical Emergencies, by Charles Varga, October, p. 58
Injuries of the Eye, the Lids, and the Orbit: Diagnosis and Management, by David Paton and Morton F. Goldberg, February, p. 46
Legal Implications of Emergency Care, by Neil L. Chayet, March, p. 26

Boric Acid
Potential toxicity of, December, p. 13

Bowel Obstruction
By IUD, June, p. 42

Bradycardia
In myocardial infarction, significance of, July, pp. 32-33

Brain Injuries
See Head Injuries

Breathing
Katsu technique for relief of pain, June, p. 28

Bronchodilation
In asthma, November, pp. 12-13
See also Aminophylline; Epinephrine; Isoproterenol

Bronchus
Severed, *See* Pneumothorax

Butler's Solution
See Fluid Replacement

Burn Centers
U.S. directory, October, p. 13

Burns
Estimating extent of, October, p. 11
Hypertension caused by electrical, March, p. 44
Office management of, October, pp. 10-13

Butazolidin
See Phenylbutazone

Calcium Disodium Versenate
See EDTA

Calcium Gluconate
See Fluid Replacement

Cannabis
See Marijuana; THC

Carbonic Anhydrase Inhibitors
For treatment of acute glaucoma, May, p. 32

Cardiac Arrest
Caused by tracheostomy, mechanism of, October, p. 16
Heart-lung resuscitation in, July, pp. 43-45
Legal complications of, July, pp. 46-47

Cardiac Causalgia
Diagnosis and treatment of, February, pp. 42-43

Cardiac Massage
Dangers of, October, p. 53
Device for performing, December, pp. 14-15
Made safer and more effective, November, p. 21
Technique of, June, p. 10; July, pp. 43-45

Cardiopulmonary Resuscitation
After lightning "death," February, p. 44
Correct ratio of compression to ventilation (letter), October, p. 7
Drugs for, July, pp. 44-45
In accident victims, October, pp. 35-37
In anaphylactic shock, June, pp. 9-10
In neonatal asphyxia, September, pp. 24-25
Katsu technique for, June, pp. 30, 32
Legal aspects of, July, pp. 46-47
Role of nurse in, July, pp. 43-45
Test for doctor's knowledge of, August, pp. 26-32

Casts
See Orthopedic Casts

Catheterization
For decompression of pneumothorax, October, pp. 47-48
For fluid infusion in an emergency, May, pp. 28-29
In neonatal asphyxia, September, p. 25

continued

snakebite

football

casts

INDEX 1969

suicide

Caustic Poisoning
Ipecac contraindicated in, September, p. 15

Cautery
For nosebleed, July, p. 27

CDC
See Communicable Disease Center

Cerebral Edema
Management of, February, p. 19; May, p. 18

Cervical Injury
Diagnosis of, March, p. 18
Handling, to prevent paralysis, July, pp. 13-15; October, pp. 40-43

Cesarean Section
Indicated by type of injury, May, p. 23

Cestode Infections
Drugs for, supplied by CDC, June, p. 37

Chelating Agents
For arsenic, iron, lead poisoning, May, p. 37
In treatment of lead poisoning, November, pp. 37-41

Chest Pain
As sign of impending infarction, July, p. 32
Differential diagnosis of, October, pp. 20-24
See also Cardiac Causalgia

Cheyne-Stokes Respiration
In diagnosis of heart failure, March, pp. 10-11

Chloral Hydrate
Contraindicated in alcoholism, May, p. 40

Chlordiazepoxide *(Librium)*
In acute belladonna overdosage, December, p. 41
In acute withdrawal from alcohol, May, p. 40

Chloroquine Phosphate *(Aralen)*
In treatment of vivax malaria, December, p. 10

Chlorpromazine *(Thorazine)*
In acute drug reactions, December, p. 41
In acute withdrawal from alcohol, May, p. 40

Choking
See Foreign Body

Cholecystitis
In the young, July, p. 38

CNS Stimulants
Abuse of, December, p. 33

Cocaine
In treatment of nosebleed, July, p. 27
See also CNS Stimulants; Drugs

Codeine
See Drugs; Narcotics

Color Coding
For office records (letter), July, p. 1

Coma
Handling patient in, October, pp. 36, 40, 43
Ipecac contraindicated in, September, p. 15
Mismanagement of, August, p. 34

Communicable Disease Center (CDC)
Supplies drugs for treatment of parasitic diseases, June, pp. 34-39

Computerization
Of digitalis dosage, February, pp. 30-32

Concussion
See Head Injuries

Congestive Heart Failure
Signs of, November, p. 60

Conjunctivitis
Differentiated from glaucoma, May, p. 34

Consent
For treatment of drug reaction, December, pp. 42-43
Securing, in a medical crisis, May, p. 46

Contraception
Complications with IUD, June, pp. 40-42

Coronary Care
Recommendations for federal support of, July, p. 35

Coronary Care Unit
For a small hospital, May, pp. 7-9
Comments (letter), August, p. 6
Mobile, July, p. 34

Coronary Disease
Complications of, rectal examination for, September, p. 35
Exercise prescribed for, November, pp. 43-47
Heparin in treatment of, July, p. 12
Predicting sudden death in, May, p. 12

Corticosteroids
Contraindicated in eye infections, October, p. 55
For treatment of laryngotracheobronchitis, February, p. 23
For treatment of snakebite, July, p. 11
Preferred to ACTH in treatment of asthma, November, p. 13
To reduce cerebral edema, February, p. 19

Cough
Due to heart failure, March, p. 10

Country Club
Emergency care plan for, July, pp. 40-41

Cramps
See Spasm

Cricothyrotomy
For treatment of anaphylactic shock, June, p. 9
Vs. tracheostomy (letter), May, p. 1

Cryotherapy
For snakebites, July, p. 11
See also Hypothermia

Curarization
For treatment of asthma, November, p. 14
For treatment of tetanus, September, p. 13

Cutaneous Leishmaniasis
See Leishmaniasis

Daraprim
See Pyrimethamine

Darvon
See Propoxyphene HCl

Death
Determining, by katsu methods, June, p. 33
From lightning, reversed, February, p. 44
Mistake in reporting, December, p. 18
Predicting, in coronary disease, May, p. 12

Dehydroemetine
For treatment of amebiasis, June, p. 37

Dehydration
Causes of, September, pp. 54-56
In status asthmaticus, November, p. 17
Treatment of, September, pp. 52-54, 59
See also Fluid Replacement

Delirium Tremens
Diagnosis of, May, pp. 38-39

Dermatome
Homemade, from razor blade, February, pp. 38-39

Desferrioxamine *(Desferal)*
Chelating agent for iron, May, p. 36

Dextran
See Fluid Replacement

Dextrose
See Fluid Replacement

Diabetes
In school child, August, p. 46

INDEX 1969

Diagnosis
In alcoholism, May, pp. 38-40
In battered-child syndrome, February, p. 28
Of acute laryngotracheobronchitis, February, pp. 22-23
Of aortic aneurysm, November, p. 31
Of appendicitis, April, p. 22
Of cervical injuries, March, p. 18
Of chest pain, February, p. 42; October, pp. 20-24
Of cholecystitis, July, p. 38
Of conjunctivitis, May, p. 34
Of coronary complications, September, p. 35
Of drug reactions, December, pp. 33-37
Of glaucoma, May, pp. 32-34; October, p. 58
Of head injuries, February, pp. 16-19; May, pp. 15-17
Of heart failure, March p. 10
Of injuries, in pregnancy, May, pp. 21-23
Of lead poisoning, November, pp. 35-37
Of motor scooter injuries, June, p. 43
Of myocardial infarction, July, pp. 30-32; October, p. 24
Of pneumothorax, May, p. 48; October, p. 46
Of status asthmaticus, November, pp. 11-12
Of strep throat, October, p. 64
Of tetanus, September, p. 12
Of tropical diseases, June, pp. 35-39; December, pp. 10-12
Of uveitis, May, p. 34

Dialysis
For barbiturate poisoning, July, p. 37
For boric acid poisoning, December, p. 13

Diamox
See Acetazolamide

Diarrheal Diseases
See Tropical Diseases

Diazepam *(Valium)*
In acute withdrawal from alcohol, May, p. 40

Diazoxide *(Hyperstat)*
To lower blood pressure quickly, August, p. 23

Dichlorphenamide *(Daranide)*
In treatment of glaucoma, May, p. 32

Digitalis
Computerization of dosage, February, pp. 30-32
Ectopic rhythms caused by, April, p. 33

Dilantin
See Diphenylhydantoin

Dimercaprol *(BAL)*
Chelating agent for arsenic, May, p. 37
In treatment of lead poisoning, November, p. 41

Diphenylhydantoin *(Dilantin)*
In acute withdrawal from alcohol, May, p. 41
In treatment of arrhythmias, April, p. 33

Dissecting Aortic Aneurysm
In hypertension, August, p. 22
Misdiagnosed as back pain, November, p. 31

Diucardyn
See Mercaptomerin

Diuresis
In withdrawal from alcohol, May, p. 40

DOM
See Amphetamines, psychotomimetic

Doctor Hip Pocrates
Dr. Eugene Schoenfeld, emergency medic at Berkeley, April, pp. 26-27

Dog Bites
See Bites

Dressings
For animal bites, August, p. 12
For burns, October, p. 12

Drugs
Abuse of, December, pp. 22-23
Legal implications of treating, December, pp. 42-43
Acute reactions to, August, p. 16; December, pp. 29-37
Treatment of, June, pp. 8-10; December, pp. 33-41
Adverse reactions to, legal aspects of, June, pp. 46-47
For parenteral fluid therapy, September, pp. 53-54
For treatment of
Anaphylactic shock, June, pp. 8-10
Arrhythmias, April, p. 33; July, p. 33
Asthma, November, pp. 12-15
Facial injuries, April, p. 28
Falciparum malaria, December, p. 11
Glaucoma, May, p. 32
Gout, November, pp. 50-51
Hypertension, August, p. 22
Nosebleed, July, pp. 27, 29
Parasitic diseases, June, pp. 34-39; December, pp. 11-12
Poisoning, May, p. 37; September, pp. 14-15; November, p. 41
Tetanus, September, pp. 11-13
Vivax malaria, December, p. 11
Withdrawal from alcohol, May, pp. 40-41
Overdosage of, December, pp. 32-41
Patterns of use of, December, p. 29
Supplied by CDC for parasitic diseases, June, pp. 34-39
To correct acidosis, September, pp. 25-29; November, p. 15
To induce muscle paralysis, September, p. 13; November, p. 14

Drug Users
Characteristics of, December, pp. 26-32

Dysphagia
In tetanus, September, p. 12

Dyspnea
As sign of impending myocardial infarction, July, p. 32
In status asthmaticus, November, pp. 14-15

Ear
See Myringotomy

Ectopic Rhythms
See Arrhythmias

Edema
See Cerebral; Pulmonary

Editorials
"Physician of First Resort," the task of the GP, Russel V. Lee, M.D., February, p. 9
"Time to Revise Priorities," more prominence for emergency care, Leon J. Taubenhous, M.D., December, p. 48
"What? A *New* Magazine?" Irving J. Cohen, April, p. 9

EDTA *(Calcium Disodium Versenate)*
Chelating agent for lead, May, p. 37
In treatment of lead poisoning, November, p. 41
Mobilization test, for lead poisoning, November, p. 36

Electrocardiogram
After cardiopulmonary resuscitation, July, p. 45
In cardiac arrest, August, p. 27
In cardiac arrhythmia, April, p. 33
In chest pain, October, pp. 21-24
In prediction of death from coronary disease, May, p. 12

Electroshock
In treatment of psychosomatic pain, March, p. 21

Emergencies
Does malpractice insurance cover? November, p. 62
See also Psychiatric; Pediatric

Emotions
Treatment of pain caused by, March, pp. 20-21
See also Psychiatric Emergencies

Encephalopathy
See Hypertensive Encephalopathy

Endotracheal Intubation
Complications of, October, p. 14; November, p. 15
In anaphylactic shock, June, p. 9
In status asthmaticus, November, pp. 14-15

Ephedrine
For treatment of hypotension in pregnancy, July, p. 23

Epidural Hematoma
See Head Injuries

Epinephrine
Dosage correction (letter), May, p. 1
For treatment of
Acute laryngotracheobronchitis, February, p. 23
Anaphylaxis, June, pp. 8-9
Asthma, November, pp. 12-13
Neonatal asphyxia, September, p. 25
Nosebleed, July, p. 27
Toxicity of, in heart disease, July, p. 48

Equipment
Arp Infant Respirator, July, pp. 20-21
Dermatome, February, pp. 38-39
Electrocardiograph
Portable, March, p. 30
Safety device for, December, p. 15
Footrest for applying casts, July, p. 16
For country club emergencies, July, p. 41
For extrication from automobile accidents, October, p. 37
For fluid therapy, September, p. 54
For management of neonatal asphyxia, September, p. 7
For management of nosebleed, July, p. 29
For mouth-to-mouth resuscitation, November, p. 21
For treatment of anaphylactic shock, June, p. 9
Homemade devices, December, pp. 14-15
Myringotomy training device, September, p. 30
Tracheostomy tools, March, p. 30; August, p. 6

Esophageal Pain
Differentiated from ischemic heart pain, October, p. 21

Esophagoscopy
To confirm bleach poisoning, October, p. 45

Estriol
Maternal levels of, associated with intrauterine hypoxia, July, p. 23

Excision
For snakebite (letter), September, p. 7

Exercise
Prescribed for coronary disease, November, pp. 43-47
To condition football players, September, pp. 39-43

Extrication
See Automobile Accidents

Eye
Foreign body in, November, p. 22
Injuries to, *See* Book Reviews
See also Glaucoma

Facial Injuries
Treatment of, April, pp. 28-30

Falciparum Malaria
See Tropical Diseases

Federal Aid
For coronary care, July, p. 35

Fetus
Injury to, in maternal accident, May, p. 20
See also Asphyxia; Hyaline Membrane Disease

Fever Treatment
In amphetamine overdosage, December, p. 39
In head injuries, May, p. 18

Finger Injuries
Treatment of, February, pp. 33-37

First Aid
For accident victims, October, pp. 35-37
Oriental, *See* Katsu

Fish Hook Removal
Australian method of, April, p. 15
With hypodermic needle (letter), October, p. 7

Flaxedil
See Gallamine Triethiodide

Fluids
Replacement and maintenance
Ice pop as substitute, May, p. 35
In acute withdrawal from alcohol, May, pp. 40-41
In status asthmaticus, November, p. 12
Parenteral, September, pp. 52-56
Retention of, preceding heart failure, November, p. 60

Follow-Up
See Observation

Football Injuries
Treatment of
Legal responsibilities in, September, p. 50
Pointers from the pros, September, pp. 36-47

Foreign Body
In the eye, removal of, November, p. 22
Swallowed, June, p. 48; August, p. 36

Fractures
See Battered Child; Cervical Injuries; Head Injuries; Lumbar Spine; Orthopedic Casts; Osteoporosis

Furosemide *(Lasix)*
In withdrawal from alcohol, May, p. 40

Gallamine Triethiodide *(Flaxedil)*
To induce muscle paralysis in status asthmaticus, November, p. 14

Gallbladder Disease
See Cholecystitis

Gallop Rhythm
Absence of, rules out myocardial infarction, October, p. 24
In heart failure, March, p. 19

Gambian Sleeping Sickness
See Sleeping Sickness

Gastric Lavage
For drug overdosage, December, p. 39
Vs. ipecac for poisoning, September, pp. 14-15

German Measles
See Rubella

Giardiasis
See Tropical Diseases

Glaucoma
Diagnosis and treatment of, May, pp. 32-34

Guanethidine *(Ismelin)*
To lower blood pressure quickly, August, p. 22

Handlebar Syndrome
See Motor Scooter

Head Injuries
Diagnosis and treatment of, May, pp. 13-19
Early treatment of, February, pp. 15-19
In hemophilia, June, pp. 22-23

Heart Failure
Bedside diagnosis of, March, pp. 10-15

Heart-Lung Resuscitation
See Cardiac Massage; Cardiopulmonary Resuscitation

Heart Rate
In safe exercising, formula for, November, p. 47

Hemodialysis
See Dialysis

Hemophilia
Office treatment of, June, pp. 19-23

Hemorrhage
In combat injuries, May, p. 28
In facial injuries, April, p. 28
Subarachnoid, correction of hypertension for, August, p. 22
See also Hemophilia; Nosebleed

Heparin
May be a danger after coronary occlusion, July, p. 12

Hepatojugular Reflex Test
In heart failure, March, pp. 11-12

Heroin
See Narcotics

Hip Pocrates
See Doctor Hip Pocrates

Hookworm
See Tropical Diseases

Hospitals
Abroad, directory of, June, pp. 12-17
Small, coronary care unit for, May, pp. 7-9

Hospitalization
Of a mother, April, p. 48

House Calls
Doctor specializes in, April, pp. 16-19

Household Bleach
See Poisoning

Housing
In etiology of lead poisoning, November, pp. 37, 41

Hyaline Membrane Disease
As disease of pregnancy, July, p. 23
See also Asphyxia

Hydralazine *(Apresoline)*
To lower blood pressure quickly, August, p. 22

Hydroxyzine *(Vistaril)*
In acute wihtdrawal from alcohol, May, p. 40

Hyperstat
See Diazoxide

Hypertension
Caused by electrical burns, March, p. 44
Rapid treatment of, August, pp. 21-23

Hypertensive Encephalopathy
Description of, August, p. 21
Due to licorice, October, p. 44

Hypotension
In neonatal asphyxia, September, p. 29
In pregnancy
Supine, May, p. 23
Treatment of, July, p. 23

Hypothermia
For asphyxiated newborns, September, p. 29
See also Cryotherapy; Ice

Hypoxemia
Correction of, in asthma, November, p. 14
See also Asphyxia

IAMAT
International Association for Medical Assistance to Travelers, June, pp. 12-17

Ice
For football injuries, September, p. 46
Used in katsu, June, pp. 29-30
See also Cryotherapy, Hypothermia

Immobilization
Of victims for removal from accident, October, p. 37

Immunization
For rubella, unwise in adults, October, pp. 28-31
For tetanus
Boosters often unnecessary, April, pp. 12-14
In pregnancy, May, pp. 20-21
Schedule for, April, p. 14

Infection
In acute withdrawal from alcohol, May, p. 41
In burns, October, p. 13
In dog bites, August, p. 14
In status asthmaticus, November, p. 15

Insect Stings
See Bites

Intraocular Pressure
Determination of, May, p. 32

Intrauterine Asphyxia

Positive Pressure Breathing
In neonatal asphyxia, July, pp. 20-21
In status asthmaticus, November, pp. 14-15

Pralidoxime Chloride *(Protopam)*
As antagonist of phosphate esters, May, p. 37

Pregnancy
As source of hyaline membrane disease, July, p. 23
In spite of IUD, June, p. 41
In unwed teenager, September, pp. 62-63
Injury in, diagnosis and treatment of, May, pp. 20-23
Tetanus immunization in, May, pp. 20-21
Treatment of hypotension in, July, p. 23
Wearing seat belt during, May, pp. 22-23

Primaquine Phosphate
In treatment of vivax malaria, December, p. 11

Prodromata
In acute glaucoma, May, p. 32
In myocardial infarction, July, pp. 30-32

Probenecid *(Benemid)*
For treatment of gout, November, p. 51

Propoxyphene Hydrochloride *(Darvon)*
Overdosage, treatment of (letter), April, p. 10

Protopam
See Pralidoxime Chloride

Psychedelic Drugs
See Amphetamines, psychotomimetic; LSD; THC

Psychiatric Emergencies
Management of, by nonpsychiatrist, August, pp. 40-41
See also Drugs, abuse of; Emotions; Medicolegal Problems, in committing; Paranoia; Suicide

Psychological Support
In acute drug reactions, *See* Talk-Down

Psychosomatic Pain
See Emotions

Pulmonary Edema
In hypertension, August, pp. 21-22

Pulsus Alternans
Recognition of, March, p. 14

Pyrimethamine *(Daraprim)*
For treatment of falciparum malaria, December, p. 11

Quinine Sulfate
For treatment of falciparum malaria, December, p. 11

Rabies
Treatment of, August, pp. 12-14

Radio
See Transistor Radio

Rectal Examination
In diagnosis of coronary complications, September, p. 35
Objections to (letter), November, p. 6

Relaxation
For relief of pain, June, p. 28

Resuscitation
